

2nd Circular to announce 24th annual international conference

State of geomorphological research in 2026

Dear colleagues,
as we announced in the first circular last autumn, we are pleased to invite you to the 24th International Conference *State of Geomorphological Research*, which will take place in the historic town of Broumov and its spectacular surroundings.

This year's conference is jointly organized by the Institute of Rock Structure and Mechanics, Broumovsko Protected Landscape Area Authority, and the Czech Association of Geomorphologists. The conference will be held on April 22. - 24. 2026.

As in previous years, the thematic scope of the conference will encompass the full breadth of geomorphology as well as related geoscientific disciplines. A highlight of the meeting will be a full-day field excursion showcasing some of the most compelling geomorphological sites within the unique landscape of the Broumovské Hills.
